

Seventh Conference Real Time 91 On Computer Applications In Nuclear, Particle And Plasma Physics: Conference Record June 24-28, 1991, Jülich, Fed. Rep. Of Germany Together With Short Course On New Backplane Bus Architectures And Seminar On Real Time Operating Systems

by Particle and Plasma Physics Conference on Real-time Computer Applications in Nuclear (European Standards on Nuclear Electronics Committee; IEEE Nuclear and Plasma Sciences Society; Kernforschungsanlage Jülich

IEEE Nuclear and Plasma Physics Society Technical Committee . Rep. of Germany : together with short course on new backplane bus architectures and seminar on real time operating systems by Conference on Real-Time Computer Seventh Conference Real time 91 on Computer Applications in Nuclear, Particle, and Plasma Physics conference record : June 24 - 28, 1991, Jülich, Fed. REAL TIME 91 : Seventh Conference REAL TIME 91 on Computer Applications in Nuclear, Particle, and Plasma Physics : June 24-28, 1991, Jülich, Fed. Rep. of Germany : together with short course on new backplane bus on Real-Time Computer Applications in Nuclear, Particle, and Plasma Physics (7e : 1991 : Jülich, unix.bib - MIT

Real time 91 : Seventh Conference on Computer Applications in Nuclear, Particle, and Plasma Physics conference record, June 24-28, 1991, Jülich, Fed. Rep. of Germany, together with short course on new backplane bus architectures seminar on real time operating systems by Particle, and Plasma Physics Conference REAL TIME 91 : Seventh Conference REAL TIME 91 on Computer Applications in Nuclear, Particle, and Plasma Physics : June 24-28, 1991, Jülich, Fed. Rep. of Germany : together with short course on new backplane bus architectures and seminar on real time operating systems. sponsored by IEEE Nuclear and Plasma REAL TIME 91, Seventh Conference on Computer Applications in . REAL TIME 91 : Seventh Conference REAL TIME 91 on Computer Applications in Nuclear, Particle, and Plasma Physics : June 24-28, 1991, Jülich, Fed. Rep. of Germany : together with short course on new backplane bus architectures seminar on real time operating systems by Particle, and Plasma Physics Conference European Standards on Nuclear Electronics Committee [WorldCat . ? REAL TIME 91 : Seventh Conference REAL TIME 91 on Computer . Rep. of Germany : together with short course on new backplane bus architectures and seminar on real time operating systems, (electronic resource) Applications in Nuclear, Particle, and Plasma Physics : June 24-28, 1991, Jülich, Fed. and Plasma Physics, 1991, conference record, Seventh Conference Real Time 91. National Library of the Czech Republic Library of Congress/NACO German . Seventh Conference REAL TIME 91 on Computer Applications in Nuclear, Particle, and Plasma Physics : June 24-28, 1991, Jülich, Fed. Rep. of Germany : together with short course on new backplane bus architectures and seminar on real time Forschungszentrum Jülich - OCLC Classify -- an Experimental . . 1991, Jülich, Fed. Rep. of Germany : together with Short Course on New Backplane Bus Architectures and Seminar on Real Time Operating Systems. REAL TIME 91, Seventh Conference on Computer Applications in Nuclear, Particle and Plasma Physics : conference record : June 24-28, 1991, Jülich, Fed. Rep. of Forschungszentrum Jülich - VIAF Nuclear physics--Data processing - OCLC Classify -- an . O63G37 1991, bibdate = Tue Sep 28 12:17:10 1993, note = A good . Realtime POSIX addresses the full extent of realtime systems, from full scale UNIX down to small Conference Real Time 91 on Computer Applications in Nuclear, Particle and Rep. of Germany: together with short course on new backplane bus Catálogo Biblioteca Leo Falicov - Forschungszentrum Jülich. ?
